SOCAL Player Transfer Policy

The SOCAL Player Transfer Policy goes into effect July 1 of the current year.

Revised Policy effective July 1, 2024

BEFORE July 1: Any player that has signed, paid, practiced, or played with a team CAN release and transfer to any other club/team without being in violation of the policy and without having to adhere to the requirements of the policy.

Example: Suzie's mom signs a Player Agreement with Real Madrid on February 20th and pays 1/2 of the club dues for the upcoming season. Suzie practices and plays a few tournaments with Real Madrid but decides that the team may not be a good fit for her. So, on June 15th, Suzie joins Manchester United. Even though Real Madrid already registered Suzie in GotSport as a player in their club, the club must release the player so that she can join Manchester United because it's before July 1st. Real Madrid cannot enforce the transfer policy or require payment in full as it is before the July 1st policy enforcement date. Either the Real Madrid Registrar or a SOCAL league official may release the player so that she can join Manchester United.

JULY 1 UNTIL THE END OF COMPETITION, INCLUDING STATE CUP, FOR THE OUTGOING TEAM:

Same situation as above only Suzie decides to leave Real Madrid on July 15th to join Manchester United. Since it's after July 1st, Real Madrid MUST release Suzie because, per US Soccer Federation rules, a club must release a player that asks to release, HOWEVER, the Player Transfer Policy is now in effect so 2 things must occur:

Step 1. The player must be PAID IN FULL per the player agreement signed with the outgoing club

AND

Step 2. The outgoing DOC MUST approve the transfer.

All decisions made by the outgoing DOC are final and are not subject to league intervention.

To clarify - no club can refuse to release a player.

After the July 1st date, BOTH Steps 1 AND 2 must be met in order for a player to TRANSFER to, or from, another SOCAL team prior to the end of competition for the team the player wishes to leave.

The transfer policy prevents a player from leaving one SOCAL team to join another SOCAL team without meeting the criteria of BOTH paying in full AND obtaining DOC permission from the outgoing club.

The incoming DOC MUST communicate directly with the outgoing club DOC. Approvals are not valid if obtained by coach, manager, Registrar, Club Admin. Approval can ONLY be granted by the Director of Coaching for the outgoing club.

- **NOTE: The SOCAL Player Transfer Policy can only be enforced with players moving between, or to and from SOCAL teams. SOCAL has no jurisdiction over other leagues and their policies.**
 - Players on a SOCAL club members team that plays in leagues outside of SOCAL that want to transfer to a SOCAL team are also covered by the Transfer Policy.
 - A player leaving a SOCAL team for another outside league IS covered by the Transfer Policy because it involves a player that was on a SOCAL team.
 - A player leaving a GA team for an ECNL team is not covered by the SOCAL policy. OR, a MLS Next player wants to transfer to an ECNL team, this is not covered by the SOCAL policy.
 - Anything that happens prior to July 1 must be allowed and cannot be contested.
 - Anything that involves a player transfer from July 1st and beyond must follow the Transfer Policy. The Transfer Policy ends when the team is done playing for the 2024/25 season. That can be at the end of the league season if the team isn't playing in State Cup. If the team plays State Cup then the Transfer Policy applies through the end of State Cup for the team.
 - Any player requesting to be released MUST be released but the outgoing club controls but can not transfer to another club until BOTH Steps 1 and 2 are completed.
 - NPL is not considered an outside league as it is part of the SOCAL programming.
-

If the team does not play State Cup, then players are free to transfer at the end of the league season if their team is "done" playing for the 2024/25 season.

Players can NOT transfer to another club beginning July 1, 2024 unless;

Any club that violates the Tryout Policy will be fined as follows:

1st offense - \$500 fine

2nd offense - \$1000 fine and probation

3rd offense - Club may be dropped from the league after review by Technical Committee.

As members of SOCAL, clubs agree to adhere to and follow all Rules and Regulations of SOCAL. Failure to adhere to the Tryout Policy and dates will result in monetary fines to clubs and coach suspensions for individual coaches that publicly advertise tryouts outside of the tryouts dates.

These dates apply to ALL MEMBERS of SOCAL. No club, or team, is exempt.

ALL SOCAL member clubs have agreed NOT to hold tryouts for other league platforms sooner than the dates listed above.

Referee Respect Campaign

The State Referee Association proudly introduces the Respect Campaign, enforcing a zero-tolerance policy against abuse, assault, and racism at all levels of our soccer community. SOCAL Soccer League is committed to upholding these standards and protecting our referees.

We invite the Southern California soccer community to unite in creating the best possible game day experience for players, coaches, referees, clubs, spectators, and families. Our goal is to foster an environment of good sportsmanship, where everyone can compete, learn, and enjoy the game.

Unfortunately, there has been a troubling increase in racially charged, offensive, and inappropriate behavior on and off the field. This growing hostility threatens the integrity of the game and the well-being of its participants.

The campaign aims to promote universal respect by establishing clear "Standards" for all soccer participants, fostering an environment where respect is prioritized across all levels of play. Additionally, the campaign seeks to enhance the game day atmosphere by supporting the recruitment and retention of referees and participants, ensuring the continued growth and vitality of "The Beautiful Game" in Southern California.

Ties

If a League game is tied after regulation, the tie stands and will be posted as a tie.

Tie Breakers for League Standings

1. "Head to Head" points (win/lose/draw) between teams
2. Overall Goal Differential
3. Goals for
4. Goals against
5. Most shutouts
6. Lowest Misconduct points

If more than two teams are tied, the tie-breaking process (1. Head to Head tiebreakers not used if more than two teams are tied) will be used until a winner is determined. The tie-breaking procedure does not revert to previous criteria if one team is eliminated.

All standings divisions are based on an average of Points Per Game (PPG) to decide standings.

- Referee decisions cannot be protested. This includes send-offs for players, coaches or spectators.

Incomplete Games/Abandoned Games

In the event that a game cannot be completed, the game will stand if at least half of the game was played; provided, however, that if any team is directly responsible for the termination of the game, no matter how much of the match remains, due to poor sportsmanship towards a Referee, opposing fans, or opposing players, the team will be required to forfeit the match. This could also lead to other sanctions set forth by SOCAL and/or US Club SOCCER. If there is no result, and the match is suspended prior to the expiration of one half the game, SOCAL will make a determination on the results of the game based on a USSF Supplemental Report submitted by the referee of the game.

The referee may abandon a match if:

1. There are not enough players to meet the requirements of the Law of the competition;*
2. A team is a no-show after the 15 minute grace period;*
3. The field or any of its equipment does not meet the requirement of the Laws and/or is otherwise deemed unsafe by the referee.

*If an away team causes the match to be abandoned, the referee must notify his/her assignor and the referee association will invoice SOCAL for payment. SOCAL will invoice the Club of the forfeiting team.

The referee may terminate a match for:

1. Reasons of safety such as bad weather or darkness;
2. Any serious infringement of the Laws;
3. Interference by spectators.

Terminated games before the commencement of the second half may be replayed in their entirety. Terminated games terminated during the second half may be considered complete. Only the SOCAL League, not the referee, has the authority to declare a winner, a forfeit, or a replay of the match in its entirety. SOCAL Soccer reserves the right to be flexible in decisions regarding terminated matches. The referee must report fully on the events.

Abandoned or terminated games may be ruled a forfeit when the actions of that team's players, coaches or spectators is the cause for the abandonment or termination of the game. If a coach abandons a match, the game is subject to a forfeit score 0-1 against their team. Issues involving parents from opposite teams that results in the game being terminated will result in the game being a double forfeit and the next scheduled game will also be forfeited for each team and a \$500 fine.
